

Diagram 90 illustrates a hierarchical structure of motion assembly components. The structure consists of five stacked rectangular blocks. From bottom to top, they are: **BASE FRAME** (92), **BASE MOTION ASSEMBLY** (94), **INTERMEDIATE FRAME** (96), **PRIMARY ARRAY** (98), and **SECONDARY MOTION ASSEMBLY** (102). To the right of these is a **SECONDARY ARRAY** (100). Brackets on the left group the components into three sections: the top two (Secondary Array and Secondary Motion Assembly), the middle two (Primary Array and Secondary Motion Assembly), and the bottom three (Base Frame, Base Motion Assembly, and Intermediate Frame). An arrow labeled 90 points to the entire assembly.
